

A cow-culator

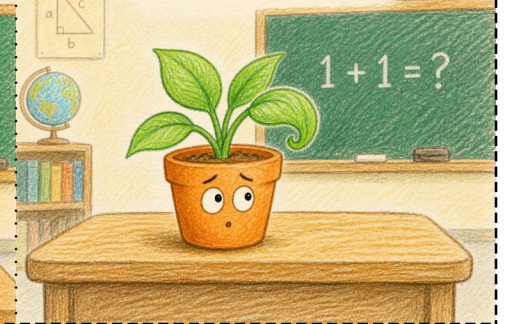

What did the cow
use for his math
homework?

It grew square roots

What happened
to the plant
in math class?

By school buzz!

How do bees
get to school?

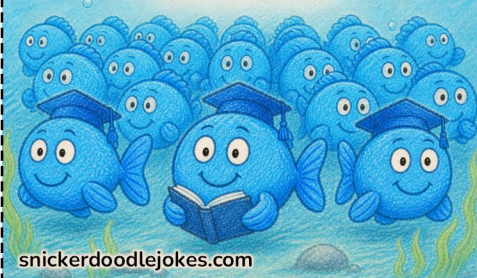

It wanted to
look sharp

Why did the pencil
put on a suit?

Because they
live in
schools

Why are fish
so smart?

HOW TO USE:

1. Cut on
dashed lines

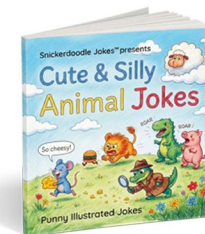

2. Fold on
dotted lines

3. Write a
note inside!

HUNGRY FOR MORE LAUGHS?
